## Advanced Hoops AAU TRY-OUTS

This Fall Advanced Hoops is looking for Top players in each age group for our Elite AAU Teams. We have taken another step going into Spring 2012 with forming teams that make competitive sense for entering AAU Tournaments. To maximize each teams potential at tourney's we have restructured what it looks like to be a part of Advanced Hoops AAU. A few features are:

1. 2 Solid Practices per week with Professional Skill Training tied into one of the team practice nights.
2. Elite Level teams in each age group selected to compete in A level brackets at AAU Tourney's.
3. Skill Training will consist of two teams per class, giving more atten-

tion with smaller class sizes. (20 player max classes)

5. Limited Roster on each team
6. Man to Man Emphasis

Next phase begins Monday December 5th!

"Since being a part of 3-Star, the program has helped me in school, in my decision making, my attitude and helped me see how God was at work in my life" - 2011 Participant

## Gear Up for High School Sports "Live"

Advanced Hoops along with ABC 27 is once again broadcasting High School Basketball Live on TV this Season with the addition of 4 Wrestling matches. We are excited to announce that we will be broadcasting all over the Harrisburg Region in Hershey, Mechanicsburg, Lewisberry, Middletown, and Harrisburg. This season promises to be extremely exciting for the participating schools, coaches, players, families and Basketball and Wrestling Communities.

Charlie Fortney along with Gregg Mace of ABC 27 will once again be announcing the Basketball games.

High School Sports "Live" Started out in 2009 -2010 with broadcasting 7 tape delayed and 1 Live Basketball Games. Last year it grew to 18 Total Basketball games that were all LIVE including the Mid-Penn Cham-

ionship and District Championships at the GIANT CENTER. In 2011-2012 we will be broadcasting 20 Live Basketball Games and 4 Live Wrestling Matches through the months of December.

To stay informed and up-to-date on all games/matches coming up and scores of each event you can:
